

REMARKS

This application is submitted as a US National Phase Application of PCT Application No. PCT/IL03/007700, filed on September 25, 2003.

The present amendments are based on the original claims submitted with the PCT application. The application contains claims 1-37 of which claims 3, 8, 9, 10, 11, 12, 13, 14, 16, 17, 21, 22, 23, 24, 25, 26, 27, 29, 32, 33, 34, 35 and 36 are currently amended to remove multiple dependencies so that the claims conform to proper US practice.

An action on the merits is respectfully awaited.

Respectfully submitted,
Amir LOSHAKOVE, et al.
